

## **BILL COLE** Region Safety Manager

### **Bill's Story:**

Prior to joining Rumpke, Bill served his country first as a member of the United States Marine Corps, where he started as a basic rifleman and scout and then later a combat military police and then a sergeant before retiring. He then began his second career serving his country in law enforcement serving as a police chief in Northern Kentucky. He is now using all of his previous training as a member of Rumpke's safety team.

Bill's prior experiences in the military have proven helpful for his career at Rumpke, specifically his leadership training and teamwork.

Bill encourages other former military members to consider a career at Rumpke for one reason:

"Rumpke makes a genuine effort to do the right thing, and that is the best reason to work anywhere."
