Mt. Sterling to Begin New Trash Collection Contract with Rumpke *Collection Day for Residents will Change to Monday from Thursday*

CIRCLEVILLE, OHIO—Dec. 20, 2006—Mt. Sterling recently awarded the contract for residential trash collection services to Rumpke Waste Inc. effective Jan. 1, 2007.

Rumpke will be the exclusive provider of these services for Mt. Sterling residents. The collection day for Mt. Sterling residents will change to Monday.

During the week of New Year's Day 2007, Rumpke's service for Mt. Sterling residents will be delayed to Tuesday, Jan. 2, 2007. The regular collection schedule will resume the week after the holiday.

Residents with additional questions may call Rumpke at toll free 1-888-786-7531. Residents will also receive an information letter from Rumpke.

Rumpke is also requesting residents to call and verify names and addresses to ensure each residence is recorded as a collection stop. Additional information is available online at www.rumpke.com.

Rumpke is one of the largest privately owned waste companies in the United States, providing residential, commercial and industrial waste and recycling services to customers in Ohio, Kentucky and Indiana. Its corporate headquarters are located in Cincinnati, Ohio.

Rumpke is proud to serve Mt. Sterling!
 Read the information below to learn more about your waste service.

Dear Mt. Sterling Resident,

Mt. Sterling named Rumpke the new waste collection service provider for Mt. Sterling residents, and Rumpke will begin this service on **Jan. 1, 2007**. Your regular collection day will be **Monday**.

Please take a moment to review the important information in this letter. Also, to ensure proper service, please complete and mail the bottom portion of this letter to Rumpke or call Rumpke to verify your information. Our toll free number is 1-888-786-7531.

Rumpke truly appreciates your business, and we look forward to serving your community. Thank you for your time, and have a safe and happy holiday season.

Sincerely,

Rumpke Waste, Inc.

Brian K. Price

General Collection Information

Rumpke will collect your trash each **Monday**. Please place all materials at the curb the evening before to ensure proper collection.

Residents may provide their own waste collection containers. Containers weighing more than 50 pounds will not be collected.

Residents also have the option to lease a 96-gallon Rumpke waste wheeler for \$3.50 per month.

Yard Waste Preparation

Yard waste is collected with the trash. To help the collection process, please place loose material in biodegradable bags or rigid containers marked "Yard Waste." Cut branches to less than four feet in length and tie them together with string or twine in bundles less than two feet in diameter. All containers and bundles must weigh less than 50 pounds.

Billing & Payment

Residents will receive invoices quarterly from Rumpke for \$44.85.

Rumpke provides easy bill payment options, including credit card payment and online payment at **www.rumpke.com**.

Please complete the reverse side.

2007 Holiday Collection Schedule

Rumpke observes six (6) major holidays during the year. Your collection day will be delayed one day during the weeks of these holidays if the holiday occurs on a Monday. Please refer to the chart below for 2007 details:

Regular Collection	Monday
New Year's Day 2007	Tuesday
Memorial Day	Tuesday
Fourth of July	Monday
Labor Day	Tuesday
Thanksgiving Day	Monday
Christmas Day 2007	Monday

***** IMPORTANT *****

Any changes occurring due to holidays will only be effective during the week of the holiday. Your normal collection schedule will resume the week after the holiday.

Collection of Appliances

Before placing items containing CFCs or freon (i.e. window air conditioners, freezers) at the curb, have the freon tanks removed by a licensed refrigeration technician. Place a tag identifying the technician and the date of freon removal on each item.

Rumpke will charge the resident for any items collected without the CFCs removed.

Other Guidelines

The following items are not accepted by Rumpke: lead acid batteries, tires, construction/demolition materials, concrete, liquids, hazardous waste and ammunition.
