Fact Sheet - Rumpke Recycling in Dayton, Ohio

Single Stream Recycling

- Rumpke's Dayton recycling plant opened in 1993 and receives more than 300 tons of recyclables daily.
- More than 35 communities and 80,000 households in the Miami Valley contract Rumpke for curbside recycling service.
- Single stream recycling is provided for many schools, universities, businesses and venues throughout the region.
- Items acceptable for recycling include aluminum and metal cans, plastic bottles and jugs, glass bottles and jars, cardboard and paper.

Public Buy-Back Center

- The Buy-Back is a drive-thru operation which pays cash for pre-sorted recyclables.
- Hours of operation are Monday through Friday, 8 a.m. to 4 p.m., and Saturday, 8 a.m. to noon.
- Customers may choose to donate the money from their recyclables to the Dayton Children's Medical Center.

Glass Recycling

- Rumpke operates a unique glass recycling facility in Dayton that cleans and separates glass collected from all over Ohio and surrounding states.
- The glass recycling plant recovers about 40,000 tons of broken and mixed glass, annually.
- Recycled glass is used a raw material for manufacturers of insulation and container glass.

Company Overview

- Rumpke employs more than 200 people in Dayton and provides waste, recycling and portable restroom services to nearly 120,000 commercial and residential customers in the region.
- Rumpke earned the Montgomery County DRG3 Green Business Certification in 2013.
- Rumpke is a BBB member with an A+ rating. In 2007, Rumpke received the Dayton Better Business Bureau Eclipse Integrity Award for marketplace ethics.
- Founded in 1932, Rumpke is one of the largest privately owned waste and recycling firms in the United States, with corporate headquarters in Cincinnati.
