

New & Improved Invoice and Your New Account Number

Dear Valued Customer,

Our goal is to ensure the best experience possible for our customers. Effective May 1, 2026, Rumpke Hydraulics & Machining introduced a new invoice layout. Please read below for details.

You will also notice your new Rumpke Hydraulics & Machining account number. Refer to this number when making payments. If you make payment via your banking institution, please contact them and update their records with the new account number to avoid payment disruption.

Note, this new account number only applies to Rumpke Hydraulics & Machining. If you have a separate Rumpke account for trash and recycling services, that account number is not affected.

As always, we're here to help. Please contact us at (513) 738-0800 if you have any questions. Thank you for your business.
